ABOUT GUARDWEL

An ISO 9001, ISO 14001, ISO 45001 & CRISIL SME rated Company. Established in 1986, Guardwel Industries is a name synonymous for Physical Security Products. Our products are BIS Licensed with high level of Safety & Security. Promoted by Late Shri Anthony Tuscano, a veteran in Physical Security Products and an ace technocrat, his spirit has driven us to value our customer's expectations leading to their appreciation.

OUR PRODUCTS

All our products are designed as per the latest Indian Standards (IS), tested in-house & at BIS approved Test Houses, all our BIS Licensed products are affixed with BIS Label. We customize our products to suit the needs of customers, to provide them the desired solution. Our innovative development team continually upgrades our products to combat ever increasing security threats.

STRONG ROOM DOOR ACCESSORIES

AIR VENTILATOR WITH EXHAUST FAN & CAGE

Provides forced ventilation. Prevent Vaults from getting vacuum locked.

INSPECTION TROLLEY

Provides privacy for inspection of the valuables to the renters of lockers.

MOBILE LADDERS

Easy accessibility to operate upper section lockers of the SDLC.

LOW SETTEE

Easy accessibility to operate Lower section lockers of the SDLC.

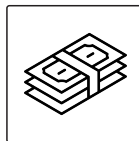

TANG BARS

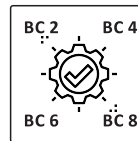

- ✓ Double combed, twisted Tang bars are a must for fortification of any Vault room or currency chest and offer the best resistance in case the Vaultwall comes under attack.
- ✓ Complete supervision service for laying the tang bars on request.
- ✓ Detailed specifications for all the above products are available on demand.
